Summary of reasons for decision:

This computer image file is deemed to be objectionable because it promotes and supports the exploitation of young persons for sexual purposes. It depicts an adult sexually abusing a teenage girl. For those with a sexual interest in young persons the image legitimises and encourages that interest. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
